Look at the confirmation that this young female has to offer. She has a perfect udder attachment! Her grandsire Hubbells 20 Gauge is cleaning house at futurities the last few years as high \$ bull. Her paternal grand dam is RC Pacific Mermaid who is a breed icon. When we used PC40 over Rebel's daughters we could not have been more happy. We are retaining her heifer calf sired by Rebel HR born 3-22-23. We have her exposed to
